THE DECK @ MACKNADE

THINGS TO KNOW!

M We're an inclusive bunch and furry legged friends are always welcome! Please bear in mind that not all our guests are dog lovers so please keep paws on the floors.

M We politely ask that you don't smoke within our Food Village. If you would like to smoke, please ask one of our team, who will point you in the direction of our smoking area.

M Our Food Village is an informal outdoor space, so you won't find any crockery or glassware out here.

M All our dishes are served in disposable containers that can be composted or recycled when you've finished.

HOW IT WORKS!

1. Please wait to be seated by a member of our team, who will provide you with menus for the table. These includes all the dishes from our fabulous Food Village traders, who are here with us every Thursday through Sunday.
2. A member of our team will take your order at the table and take payment at the same time. Please note we can only take cards out here at the moment.
3. Sit back & relax! We will bring your drinks & dishes to your table as soon as they are ready. Please note that service is 'tapas style' and some dishes will arrive before others.
4. Have a question about the menu or want to add to your order? No worries, just ask one of our serving team, who will be happy to help.

Don't forget to get social
